Bjarni: Ég get ekki lesið í þessu máli hvað var gert og get heldur ekki prófað í OnDemand. Texti óbreyttur í user and Groups í JIRA 5. Þú lokar ef lausnir er sú að annar texti byrtist á þessari síðu fyrir OnDemand
- [Bjarni Þorbjörnsson](#) added a comment - 2012-01-10 10:27
Loka - við prófum þetta ekki svo glatt nema vera með OnDemand eða búa til aðstæður í forritinu!

Tips & tricks

- Endurnýta notendur – (Single sign-on)
- Ekki byrja með flókið vinnuferli
 - Veistu hvað þú vilt/þarft?
 - Alltaf hægt að endurskoða
 - Of flókið kerfi fælir fólk frá
- Hægt að hafa mismunandi ferli eftir project-um

☒ Tips & tricks - II

- Ekki vera feimin við að búa til mál
 - En athugið líka að gera ekki “duplicate”
- Commit (check-in) skal alltaf hafa mál
- Commit textinn tengir allt saman
 - Skrá af hverju verið er að commit-a
 - ... forritið sýnir hvað var gert
