I'm horrified by the large number of dead in the demonstrations in Egypt. Security forces can't avoid responsibility.

@carlbildt It is horrifying, however these were not peaceful innocent civilians but armed mob. I guess hard for Swedes to comprehend.

@carlbildt never said so. When police is shot at, what should they do? Protest is different from shoot out.

Foreign Ministry of Iceland

MFA Iceland

The Foreign Ministry of Iceland started to tweet on 19 March 2013, encouraged by former Swedish Foreign Minister @CarlBildt who was on a visit to Reykjavik. @MFAIceland has established mutual Twitter relations with 71 foreign leaders and ranks among the ten best connected foreign ministries on Twitter. The ministry tweets in Icelandic and in English at least once a day and frequently @mentions other Twitter users including Foreign Minister @GunnarBragiS who is also the account most retweeted by the foreign ministry. #Iceland is by far its most used hashtags.

Sendiskrifstofur Íslands gefa út vegabréf og eða neyðarvegabréf fyrir Íslendinga erlendis. Í dag fékk Bryndís Lína, nýjasti Íslendingurinn í Moskvu, sitt fyrsta vegabréf útgefið í sendiráðinu.

utanrikisraduneytid #Moskva Í dag er eitt ár síðan sendiráð Íslands í Moskvu hóf útgáfu vegabréfsáritana fyrir Rússa sem hyggja á ferðalög til Íslands. Á þessum tíma hafa verið gefnar út rúmlega 3.000 áritanir. Á sama tíma hafa um 7.000 rússar ferðast til Íslands.
