Auth0 at a Glance

2013

Founded in Bellevue &
Buenos Aires

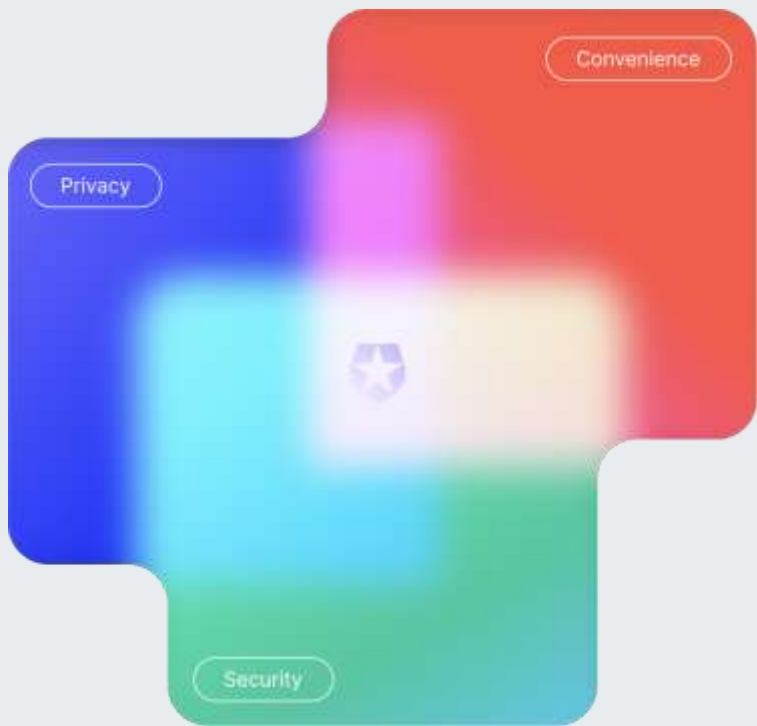

9,000+

Active paying customers

512M+

Unique Identities

For companies where software is a competitive advantage, Auth0 provides a **cloud-native platform** to authenticate, authorize, and **secure access** for **applications, devices, and users.**

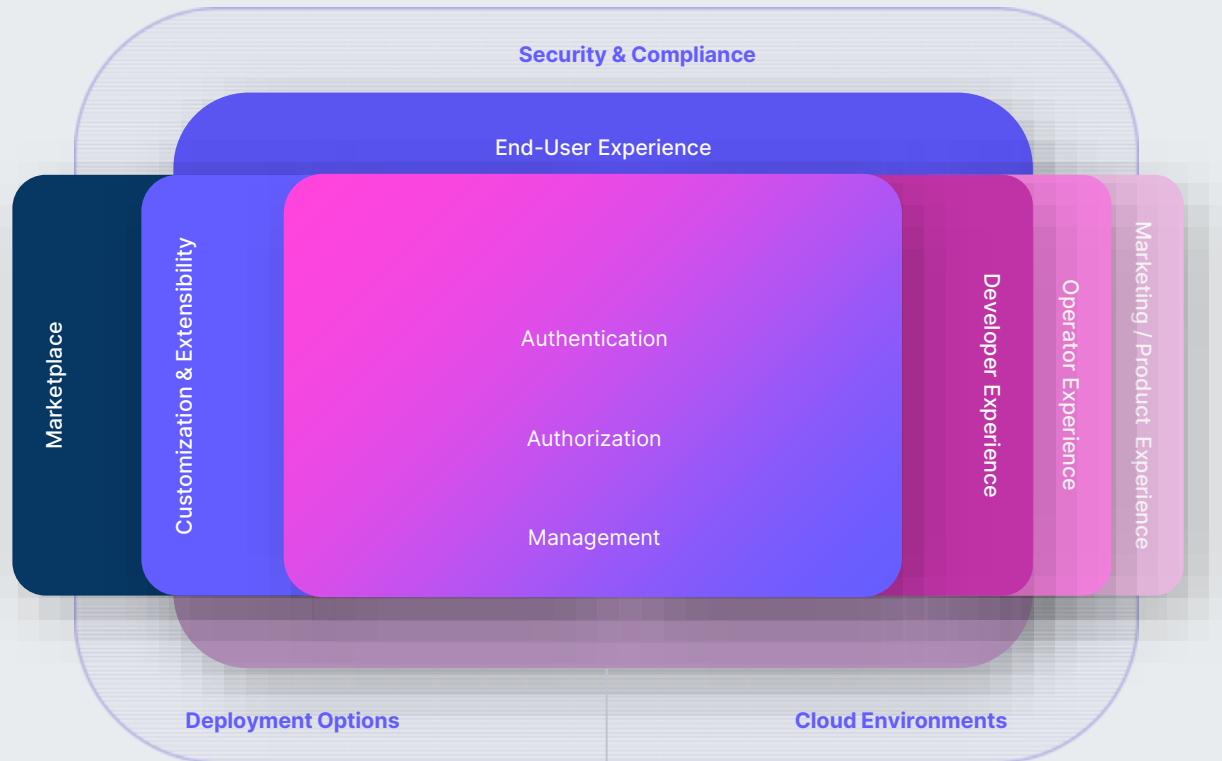

Identity is at the intersection of convenience, privacy, and security.

It is the place to make (or break) a good impression.

Auth0 identity OS

The most comprehensive system of composable building blocks that can be assembled to solve any use case

The Auth0 Platform

Simple, but highly customizable to your needs
