— HOW IT WORKS

Idea to shipped in 4 steps.

From a rough concept to working code pushed to GitHub - Vibe Code Planner handles the planning so your AI tools can stay in flow.

- Describe your idea
- AI generates your plan
- Execute with any AI tool
Works with Claude Code, GitHub Copilot, DeepSeek and Kimi AI. Build phase by phase, stay in context, ship clean code.
- Ship with confidence

STEP 1 - YOUR IDEA

Build a SaaS with auth & payments |

STEP 2 - STRUCTURED PLAN

- Phase 1 - Scaffold & routing
- Phase 2 - Auth system
- Phase 3 - Stripe integration
- Phase 4 - Dashboard & analytics

STEP 3 - SUPPORTED AI TOOLS

- Claude Code** Anthropic
- GitHub Copilot** Microsoft
- DeepSeek** DeepSeek AI
- Kimi AI** Moonshot AI

STEP 4 - SHIP IT

Structured code, zero chaos.
Real architecture. Every piece planned before it was built.

The image shows a design tool interface for a mobile application named "Epoch Mobile". The central canvas displays a mobile app mockup with a green background. The app's header features the word "EPOCH" in a large, serif font. Below the header, there is a section titled "Featured Scapes" with three image thumbnails. The bottom of the screen shows a "New Visuals" section. The interface is surrounded by several panels:

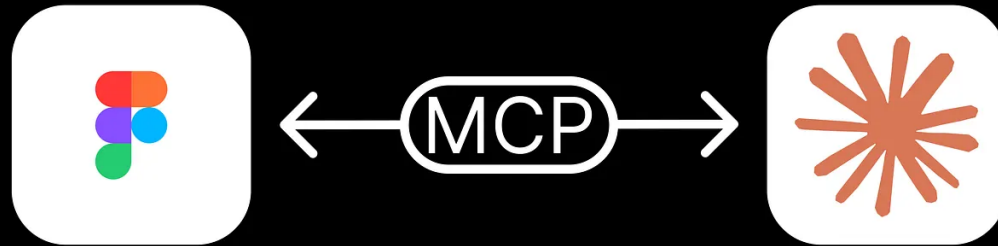

- Left Panel:** Contains project information like "Epoch Mobile", "Ready for dev", and a list of pages and components.
- Top-Left Panel:** A "Properties" panel for a selected element, showing: Width: 44px, Corner radius: 10px, Padding: 10px, and Fill: --grey-light.
- Center-Left Panel:** A callout box with a red arrow pointing to a red pill-shaped button containing the text "Amira Looks good!".
- Bottom-Left Panel:** A "Text" panel showing: Font: Libre Caslon, Style: Regular, Size: 24px, and Line height: 120%.
- Right Panel:** A "Inspect" panel showing a "Wordmark" element. It includes a "Code" editor with CSS:

```
border: 16px solid #C2C2DA; padding: 16px 8px 16px 8px; width: 430px; height: 100px; gap: 16px; background: var(--color-warm-grey);
```

 and a "Layout" section with properties like display: inline-flex, height: 220px, flex-direction: column, and gap: 16px.
- Bottom-Right Panel:** A "Selection colors" panel showing a color swatch for "color-ash" with the hex code #C2C2DA.

Annotations on the canvas include a purple arrow labeled "Rico" pointing to the "EPOCH" text and a pink arrow labeled "Jane" pointing to the "New Visuals" section.

Cartier — 365

The PANTHER: a TIMELESS HEROINE

Enter the story of Cartier's emblem

The image features a close-up of a panther's paw resting on a light-colored surface. The panther's fur is dark and textured. On the bottom pad of the paw, there is a small, detailed silver or metal emblem of a panther's head, which is the iconic Cartier logo. The background is a soft, out-of-focus grey. The text 'Cartier — 365' is in the top left, and 'The PANTHER: a TIMELESS HEROINE' is centered in a serif font. Below the title, the text 'Enter the story of Cartier's emblem' is centered. At the bottom of the image, there is a horizontal strip of four small, square portrait photos of people.
